

REJnerAXion PROJECT

Making the Just Transition in Reality: the Role of Innovative Industrial Relations Systems for a Fair and Inclusive Energy Transition

SECOND TRANSNATIONAL WORKSHOP
(Project no. 101052341/SOCPL-2021-IND-REL)

Rome, 16 JUNE 2023

Venue: Cgil nazionale (Sala Di Vittorio), Corso d'Italia 25

We are pleased to invite you to the Second Transnational Workshop of the REJnerAXion project

The REJnerAXion project (*Energy for a just and green recovery deal: the role of the industrial relations in the energy sector for a resilient Europe*) aims to analyse and strengthen the role of innovative industrial relations structures, including social dialogue, to respond in a socially fair and balanced way to the main challenges and opportunities offered by a clean-energy transition at national and European level.

Objective of the workshop is to share within the research group and the stakeholders the main findings of the interviews mainly focused on: a) impacts of energy transition on employment, skills development, quality of work, work organisation, territorial and regional development; b) drivers, barriers and opportunities to strengthen cooperation and mutual learning among partners to support the role of industrial relations and social dialogue in the processes of a just transition to clean energy.
